

ASPROVA SUMMIT 2026

**October 6 & 7
Hilton Frankfurt Airport
Germany**

The Asprova Summit brings together an international community of production scheduling professionals—manufacturing practitioners, partners, consultants, and engineers. Over two days, participants explore the latest developments in production scheduling and the Asprova ecosystem through user presentations, expert talks, and interactive sessions.

The Summit focuses on sharing practical experiences, new ideas, and proven approaches to managing complex production environments. It also offers excellent opportunities for networking and discussion.

We look forward to welcoming both familiar faces and new participants to the Asprova Summit 2026 in Frankfurt.

What You Can Expect

- Real-World Use Cases
- Networking & Peer Discussions
- New Features
- Collaborative Scheduling
- Lean Management
- Q&A and Open Forum
- World-Class Sushi
